Impression in Washington Is That Only Small Part Will Fall on Public.

WASHINGTO' Nov. 25. - A definite and final atement on behalf of the Government will be made to the operators and miners late to-day by Fuel Administrator

Final decision was reached by the Cabinet at the meet og today. Dr. Garfield and Secretary Wilson said. The Fuel Administrator called a joint session of the operators and miners for 5 P. M. to receive the decision.

While neither Dr. Garffeld nor memhad won his point for an increase of aggression, but that it is faced with those reservations which he views later Green dropped Louis. Then the from 20 to 25 per cent. in miners' a serious situation at home. wages as against the 31 per cent, proposed by Secretary Wilson and a long conference yesterday with Caagreed to by the miners.

Dr. Garfield's statement to the miners and operators was expected to crease was understood to be acceptwas expressed as to whether the miners would approve it.

Thus far the position of the mine union officials had been that they could not accept anything less'than the original demands of the Cleveland convention for a 60 per cent. increase in wages and a 30-hour week. without the approval of that convention, should they hold to this view bafter meeting Dr. Garfield said it might be that several weeks would clapse before a final settlement was reached.

There was a somewhat general impression that the operators would be called upon to bear practically all of the proposed wage increase, but officials with-

held comment. # BENCH WARRANTS ISSUED FOR LEADERS OF RADICALS ACCUSED BY GRAND JURY

Whole of Police Bomb Squad Sent to Make Arrests-Larkin and Gitlow Head List-More Indictments to Be Returned Next Week.

James Larkin and Benjamin Gitlow, who were held by Chief Magistrate McAdoo in \$15,000 bail, were among those against whom criminal anarchy indictments were handed up to Supreme Court Justice Bartow S. Weeks by the Extraordinary Grand Jury this afternoon. Other indictments were returned, but neither the names nor the numbers of persons accused were announced pending the serving of bench warrants,

The warrants were immediately issued by Justice Weeks and placed in the hands of members of the Bomb Squad for service. The entire squad, under the command of Lieut. Cornelius J. Brown, had been assigned to the District Attorney's office to-day to serve the warrants.

The services of the bomb squad were utilized because of the acquaint-**HUNGER STRIKING REDS** ance of its members with various TO MISS ROAST TURKEY IF Larkin and Gitlow are movine

They were inlicted for the publication on July 6 Cranberry Sauce, Plum Pudding of a manifesto and programme of the left wing of the Socialist Party ir and Other Trimmings to Be which they advocated the overthrow of the Government and the establishment of a dictatorship by the proletariat.

After returning the indictments the Extraordinary Grand Jury recessed until next Monday, when it was announced that other criminal anarchy harges would be preferred.
Before the recess, Justice Weeks

said to the jurors: "If the newspaper accounts are orreck; I think you are to be congratulated in having the assistance in your investigations of a lawyer of whose ability this court has the greatest confidence and the highest regard. Consideration of further matters relating to criminal anarchy I assume, will remain in charge of Mr. Rorke, and from my information the Grand Jury will be extremely satisfied with this. I know that the indictments handed up are the re-
